Modular Bar Solutions

Simply Stainless strives for quality, availability and value. To assist with your bar design, all drawings can be downloaded from our product catalogue at www.simplystainless.com. We also offer a free bar design service, a free online design tool as well as a 3D product viewer - please get in touch with us for more details at info@simplystainless.com

Full range is wholly manufactured out of an ISO9001 accredited factory that manufactures exclusively for Simply Stainless.

Why Modular matters

- Delivered in flat packaging for easy portability and site access.
- Simple assembly and installation.
- The Modular System is designed to suit a variety of applications.
- Personalise front bar panel as you see fit.
